

**Waiver of Liability and Authorization for Emergency Medical Treatment**

- I voluntarily agree to participate in Bridge to University (BTU) activities at University of the West (UWest). These include those activities articulated by the faculty and staff in announcements and information about the BTU program. I also acknowledge that any physical activity carries with it certain inherent risks that cannot be eliminated regardless of the care taken to avoid injuries. I hereby assume all risks of injury to me and my property, which may be sustained in connection with activities undertaken while participating in the BTU program on and off university property. Furthermore, I hereby release, waive, discharge, and covenant not to sue University of the West, its officers, agents, servants, or employees from any and all liability, claims, demands, actions and causes of action whatsoever arising out of or related to any loss, damage, or injury, including death, that may be sustained by me, or any of the property belonging to me, whether caused by the negligence of the releasees, or otherwise, while participating in such activity, or while in, on or upon the premises where the activity is being conducted.
- I confirm that I have no medical conditions or needs other than those listed on the Medical Information form.
- I understand that University of the West is unable and unqualified to provide professional medical and/or psychological care. I agree that, in the event a representative of University of the West determines that I need professional medical or psychological attention, University of the West has sole discretion to contact 911 emergency services, as well as my designated emergency contact person.
- I understand that University of the West *will not* stock medications of any kind. I further understand that discontinuing prescription medication during the BTU Program, or failing to bring prescription medications, is grounds for being asked to leave the program.
- Any costs incurred for health services are my responsibility and not the responsibility of University of the West.
- I understand that providing University of the West with the name and contact details of an emergency contact person is required for participation in this BTU Program. University of the West will make every effort to communicate with this person in the event of an emergency. This person is someone who can either transport me from University of the West or assist in making transportation arrangements if I need to leave the BTU Program early.
- I further understand that my participation in this BTU program is at the discretion of University of the West at all times. If, in the opinion of University of the West, I am unable to continue to participate productively in the BTU Program, I may be asked to leave.

I have read this agreement and fully understand its contents. I sign it of my own free will. I am of legal age and accept the above disclaimer and authorization.
