Public comments

1. Cafeteria issue: A vegetarian student consumed the vegan food which the school cafeteria served which was not for vegetarian, these made the student sick. Cafeteria should have more training for the staff or have the correct label for the food.
2. If clubs have any event information want Student Government to put on the general assembly's agenda, please email it to Secretary. Also, Webmaster will post it on the Student Government website, and Public Relations Officer will post the event flyer on Student Government social media.
